About Me

Front-end developer looking for a job in Tokyo. Experienced with HTML, CSS, Javascript, and a number of other tools and technologies. Fell in love with front-end framework React/React native, and wish to further my skills to become an achieved full-stack developer while being part of a strong team.

Tech Skills

- HTML5 / CSS / SCSS / Bootstrap
- GitHub / Git
- Ruby / Ruby on Rails
- Javascript / React / React-Native
- SQL / AJAX / Stimulus
- Figma / Sketch

Further Learning

- React
- Angular
- JavaScript
- Vue
- Svelte
- Typescript

Education

Lewagon Coding Bootcamp (2021)

Graduated from LeWagon coding course after looking to make a career switch to the tech industry.

University of Hertfordshire (2014-2018)

Achieved a 1st class hon. in Media Production where I specialized in video editing and learned to use tools like Adobe Premiere, AVID, Final Cut X, Sony Vegas.

Languages

English	Fluent
Portuguese	Fluent
Japanese	Conversational (JLPT N4)
Spanish	Conversational

Web Projects

Zoom Clone

[Zoom-clone \(react native\)](#)

A functional Zoom clone app, made using React-Native. Using Custom API to connect users locally. (offline)

Spotify Clone

[renato-spotify-clone.herokuapp](#)

A simple Spotify clone app allowing user to play music on the app. Using Spotify's API that's supposed to get user's real info and playlists. Made using React.

Disney Clone

[disney-clone-renato.herokuapp](#)

A Disney clone interactive website. Made using the React framework and firebase. Made using React.

Tesla Clone

[tesla-clone.herokuapp.com/](#)

A clone of the TESLA website, to further my understanding of React framework and Javascript.

Rock, Paper, Scissors

[Can you beat my AI?](#)

Artistible

[artistible.herokuapp.com](#)

TinyMe Studios

[TynymeStudios](#)

Rails Watch List

[renato-movie-list](#)

Hobbies + Interests

Short Movies

In my spare time I like to create short films or edit other people's projects. This type of media has always been a passion of mine - you can find some examples here [DelboniMedia](#)

I also play and record many sports events, mainly soccer, check it out here: [RDSports](#)
